#### Series trophy/points details:

- Trophy Saddles: Saddles are awarded to the open class average winners. At the end of the series, each person who has competed in 11 of the 12 shows will have their times averaged to be awarded saddles to each division average winner. Times used to calculate the average will be each person's single best time at each of 11 shows. Those who compete in all 12 will drop their worst time.
- Trophy Buckles: Buckles are awarded to high point earners in each class and/or division. All classes will be awarded buckles to top point earners. Points are awarded on riders only. Points are awarded no matter how many shows the rider competes in. The person with the most points in each class and/or division will receive a trophy buckle.
